

Dear Parents

Newsletter May 2022

After 34 years Mrs Hartles will be retiring and we will be celebrating her remarkable commitment to Cleve on the last day of term. A collection will be taking place to show our thanks and gratitude for her dedication and devotion to the school.

There must be something in the water at Cleve as we announce some lovely news. The eagle-eyed of you may have noticed Mrs Ward blooming recently. We excitedly look forward to two new additions to the Cleve Family as both Mrs Ward and Mrs Jones are expecting babies coincidentally in August. We wish them both a healthy and safe time.

Due to staff changes, I will let you know how we will be re-structuring the classes for September once we have interviewed for maternity cover.

We welcome Callum to Form 6, who has already made friends and settled in well. We know you will make his family feel welcome too.

We welcome Gamaliel and Giovanni who have recently moved into the flat above the school. For your peace of mind, I wanted to reassure you that we have applied the strictest Safeguarding guidelines and Risk Assessments. Both DBS checks have come back clear. Due to their working hours, the children will hardly notice their presence.
