

## Child Friendly Version of our Child Protection Policy

### What is Child Protection about?

- All of the adults around you think that your health, safety and happiness are very important.
- In our school, we respect children and help to protect their rights.
- We do our best to help all children learn and improve.
- We teach you how to recognise risks in different situations, and how to protect yourself and stay safe.

### How will we try to protect children?

- We give a safe school for children to learn in;
- We want to help you to remain safe, at home as well as at school;
- We think it is important for you to know where to get help if you are worried or unhappy about something.

#### **Don't keep it a secret if:**

- Someone is being unkind or bullying you;
- Saying funny things to you that you do not like or upsets you;
- Touching you in places you know are private

- Trying to give you tablets, cigarettes, vapes, drugs or alcohol;
- Hitting you or hurting you;
- Sending unkind messages or private pictures on the internet, to your phone or on a games console.

#### **If you need to talk – we will listen!**

You can talk to any adult in school – REMEMBER your Hand of Five!

It is **Mrs Fraser, Ms Riach's and Miss Ashe's** special job to keep you safe – talk to them if you are worried.

You can also talk to your **Peer Mentors** and use the **Class Worry Jar!**
