TEACHING TO REACH

Since 1937

4 September 2024

Dear Parents

Welcome Back to School – Celebrating Our Achievements!

Welcome back to a new school year! We are delighted to see our school community come together once again, and a special warm welcome to all the new families and staff joining us this year. We hope you had a restful and enjoyable summer break, and that your children are excited to embark on another year of learning, growth, and new experiences.

I would like to take this opportunity to thank you for all the kind words, cards and gifts that were given at the end of the summer term; speaking on behalf of myself and my colleagues - they made us smile and were appreciated.

We are thrilled to start this academic year with some wonderful news that highlights the excellence of our school community. Our recent ISI inspection report has been released and we are proud to share that our school has been recognised for its achievements. The inspectors commended our dedicated teaching staff, the positive and nurturing environment we create for our students, and our commitment to providing a holistic education that caters to the needs of every child.

I particularly love the final line in the report which I believe sums Cleve House up perfectly.

"The school aims to develop, confident, resilient pupils with a positive attitude to learning in an environment that is full of joy, empathy and opportunity."

This success is a testament to the hard work of our entire school community – from our talented staff to our supportive parents, and of course, our amazing pupils who continue to inspire us every day. We encourage you to take some time to read the full inspection report, which is available on our website, or via this link and celebrate this achievement with us:

TEACHING TO REACH

Since 1937

As we look ahead, we remain committed to building on our success and ensuring that each student continues to thrive both academically and personally. We have an exciting year planned, filled with engaging learning opportunities, enriching extracurricular activities, and events that will bring our school community even closer together.

We look forward to working together to make this year a memorable and successful one for all our pupils.

Best wishes

Mrs C Fraser
